"In my opinion, *Clayton* [2001] is the best book on the most extraordinary man."

—Steve K. Leach, *San Francisco Examiner*

"This inspiring, if a bit too 'quirky' in some readers' words, book is both an ode to... [a]n idea to know, a thought to..."

—Jeffrey Long, *Los Angeles Times*

Remembering Clay's life and his remarkable journey to the stars is a truly inspiring and moving...

Key Features of the Book

Clayton's Journey takes the reader through the life of the man who was the first to fly to the stars, and back to the earth with a message from the stars.

Clayton's Life explores the journey from the first flight to the stars, and back to the earth with a message from the stars.

Clayton's Book is a collection of the papers and letters of the man who was the first to fly to the stars, and back to the earth with a message from the stars.

This collection of papers and letters of the man who was the first to fly to the stars, and back to the earth with a message from the stars.
